ROGER BROWN

CHANCELLOR

Dr. Roger G. Brown, a proven academic leader and native Tennessean, is the fifteenth head of The University of Tennessee at Chattanooga. His appointment as Chancellor was celebrated by the campus in February of 2006.

Under Brown's leadership, the campus has experienced record enrollment growth at all levels, reaching the significant milestone of surpassing more than 11,000 students in fall 2011. Since taking the helm of the Chattanooga campus, he has promoted UTC's mission as a metropolitan university with special emphasis in the fields of science, mathematics and technology. Brown has also pledged the campus' commitment to teacher preparation, healthcare professions, business and commerce and cultural appreciation.

UTC recently completed a strategic planning initiative that focuses campus efforts on the power of partnerships, especially relationships within the learning laboratory of Chattanooga. In 2008, Chattanooga earned the Community Engagement designation by the Carnegie Foundation for the Advancement of Teaching in recognition of its many successful partnerships in the community.

Brown came to Chattanooga from the University of North Carolina at Pembroke, where he served as Provost and Vice Chancellor for

Academic Affairs since 2000. Previously, he had served since 1991 in various academic and administrative capacities with the University of North Carolina at Charlotte. Brown left Charlotte in 2000 as Senior Associate Provost and Associate Vice Chancellor for Academic Affairs.

A political scientist with particular academic emphasis in American government, Brown earned bachelor's and master's degrees in Political Science from the University of Tennessee and the Ph.D. in Political Science from The Johns Hopkins University. He began his teaching career at Iowa State University in 1983 before joining the Charlotte faculty in 1985.

In 2002, Brown was appointed to the inaugural delegation of the American Association of State Colleges and Universities Sino-American Leadership Development Training for Higher Education Leaders in China. He has traveled on assignment for the U.S. Department of State to Syria, Jordan, and Israel. He also helped establish international exchanges with universities in Germany, France, South Korea, and South Africa.

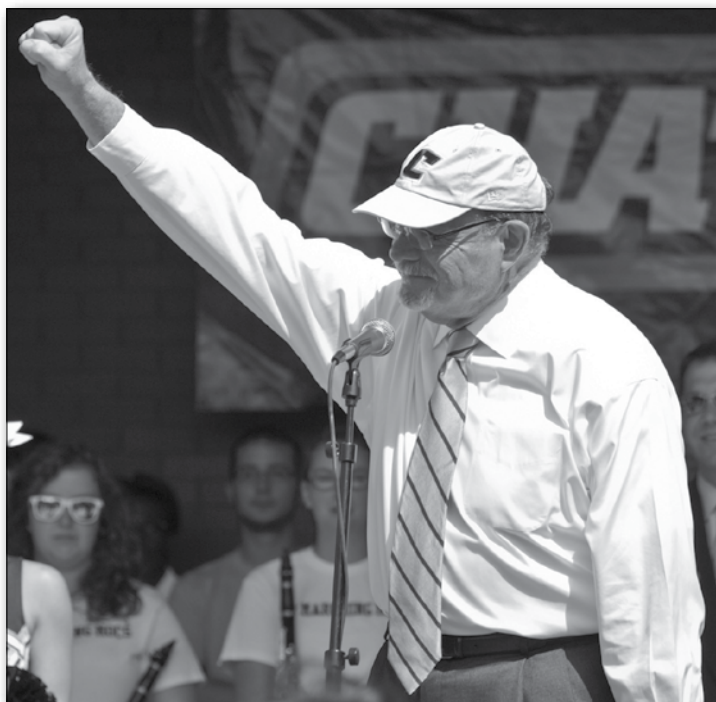

In Chattanooga, Brown is a member of Rotary International and has also been named to the United Way of Greater Chattanooga Board of Directors, the RiverCity Company Board and the Chattanooga Area Chamber of Commerce Board of Directors. He is a commissioner of the Southern Association of Colleges and Schools and has been appointed to the South-

east Tennessee PreK-16 Education Council.

A strong supporter of athletics, Dr. Brown recently concluded his appointment as the Chair of the Southern Conference Council of Presidents.

Brown's wife and partner, Dr. Carolyn Thompson, was also a committed community activist. She was involved and supported many different areas of the University. She fought a courageous battle against myelofibrosis, a cancer of the bone marrow, and passed away on March 2, 2012. The couple has two children, Caroline and Austin.

Dr. Brown has announced his retirement from UTC is the spring of 2013. A national search for his replacement has begun.

LAURA HERRON

INTERIM DIRECTOR OF ATHLETICS

Laura Herron is in her 19th year working in the University of Tennessee at Chattanooga Athletics Department and has served the University in a variety of capacities during her tenure. She is currently the Interim Director of Athletics, as announced by UTC Chancellor Dr. Roger Brown on July 16, 2012.

Herron was the Senior Associate Athletics Director for Compliance and Administration and served as the Mocs' Senior Woman Administrator. She plans to return to this position once the new Director of Athletics is in place.

Herron has oversight and supervision of the UTC compliance office staff, serves as sport administrator for five sports and oversees student-athlete welfare. She is the director of gameday operations for volleyball, women's basketball and softball and has served as Tournament Director for several NCAA and Southern Conference postseason events.

Herron has also led the Mocs efforts for improving their Academic Progress

Rate (APR) scores over the last five years. She worked to develop and implement a long-term strategy that resulted in record APR scores in the most recent update for the NCAA. UTC had 11 programs score a perfect 1000 in the 2010-11 data, including the Mocs' first multi-year 1000 earned by the men's golf team.

Herron began her time at Chattanooga as an Assistant Athletic Trainer from 1994-04, adding the title of Senior Woman Administrator in 1999. She was promoted to Assistant Athletics Director/SWA in 2003 and moved out of the Training Room and into the Compliance Office in 2004. She has held her current position as Senior Associate Athletics Director/SWA since July 2010.

Prior to her arrival at UTC, Herron was the Head Women's Athletic Trainer at Florida Southern College. She received her Bachelor of Science degree in Corporate Fitness and Recreation from the University of West Georgia in 1991. While working as a graduate assistant trainer at Troy University, Herron earned her master's degree in

Foundations of Education in 1993.

A native of Rising Fawn, Ga., Herron worked with USA Softball for five years as the athletic trainer. From 1999-2003, she accompanied the National Team to several international tournaments in San Diego, Hawaii and Canada. In the summer of 2000, she put her athletic training skills to work for the Olympic Gold-Medal winning USA Softball Team as it prepared for the 2000 Summer Olympics with its "Central Park to Sydney" U.S. Tour. In 2001, Herron interned at the U.S. Olympic Training Center in Colorado Springs, Colo.

JOIN THE UTC Mocs CLUB

By joining the UTC Mocs Club, you are supporting over 300 UTC student-athletes in their pursuit of comprehensive academic and athletic excellence, and participating in the exciting journey of building a strong athletics program.

So what does "joining" the UTC Mocs Club mean?

"Joining" the UTC Mocs Club means committing an annual unrestricted gift to the Chattanooga Mocs at a level appropriate for you. Your annual membership gift supports Student-Athlete Scholarships and lets UTC Athletics attract and retain the best available student-athletes, coaches and staff. Your gift also supports travel and recruiting costs, equipment, operations and more.

Simply put, your gift is the difference that allows UTC to recruit the difference-makers that will separate the Mocs from our competitors in the Southern Conference and beyond.

As investors in Comprehensive Excellence, UTC Mocs Club donors receive priority seating for football, men's basketball, and ticket access to marquee games and other post-season events, as well as invitations to special events. Refer to the Donor Levels & Benefits chart below to get information about the different donor levels and associated benefits.

Over 300 dedicated Mocs proudly comprise "Chattanooga's Team." You are invited to honor their hard work and loyalty by joining the UTC Mocs Club soon.

MEDIA INFORMATION
CREDENTIALS

Please contact Jay Blackman, UTC Assistant Athletics Director for Communications and Media Relations, for all Chattanooga home football game credentials. Requests should be made in writing via email and credentials will be limited to working members of the media. Spouses, dates, children and other nonworkers are not permitted in the press box without prior approval. Credentials will be available for pickup on gameday at the Will Call window at Finley Stadium. Will Call is located at the front of First Tennessee Pavilion to the west of the stadium.

VISITING RADIO CREW INFORMATION

Two courtesy broadcast-quality telephone lines are available for use by visiting crews, as is a private broadcast booth.

PHOTOGRAPHERS

Credentials for photographers will be issued on a game-by-game basis, and photographers should contact Jay Blackman, UTC Assistant Athletics Director for Communications and Media Relations, with requests. Photographers are expected to honor all sideline policies and are not permitted in either team bench area, locker room or other restricted areas within the stadium without prior approval from the UTC Communications and Media Relations Office.

INTERNET SERVICE

UTC will provide wireless Internet capability within the working area of the Finley Stadium press box.

INTERNET SITES

Only accredited Internet sites will be granted game credentials or access to UTC coaches and student-athletes. All inquiries must be made to Jay Blackman, UTC Assistant Athletics Director for Communications and Media Relations.

MEDIA PARKING

A limited number of media parking spaces are available and passes are required for access. The media parking area is located near the southwest corner of the stadium on the corner of 20th Street and Carter Street, adjacent to the First Tennessee Pavilion.

GAMEDAY MEDIA SERVICES

Members of the media will be provided with pregame notes and statistics of both teams and

a flipcard with respective rosters and updated team information. Food and beverages will also be available. Statistics and running play-by-play description will be handed out after each quarter. Following the game, a final statistical packet with complete team and individual statistics, play-by-play and quotes from both teams will be available.

PRACTICES

All UTC practices are open to the media and public unless otherwise noted. Media members are asked to contact the Communications and Media Relations Office in advance if planning to attend practice. The Mocs hold practice sessions at Scrappy Moore Field and Finley Stadium. Please check for practice times and sites.

PLAYER INTERVIEWS

During Gameweek — All requests for player interviews during gameweek should be made at least one day in advance with the Communications and Media Relations Office. A time mutually convenient for the athlete and the member of the media will be set up. Most interviews will be conducted following daily practice on location at the practice fields. Players will be asked to return telephone calls to members of the media; player telephone numbers will not be issued. During gameweek, the player interview deadline is Thursday evening. No player interviews will be conducted on Friday of gameweek. Please also arrange coaching staff interviews through the Communications and Media Relations Office. Head Coach Russ Huesman and his staff are available Monday through Thursday each week.

After the Game — Following a 10-minute cooling off period, Coach Russ Huesman will meet the members of the media in or near the Finley Stadium media room located between the two locker rooms behind the west end zone. Requested UTC players will also be available. The UTC locker room is closed to the media following the game. Visiting postgame interview policies are determined by the visiting school's representative.

TO CONTACT COACH HUESMAN

The best time to contact Coach Huesman by telephone is between 11:00 a.m. and noon Monday through Thursday. Call the Communications and Media Relations Office to set up an interview with Huesman, other football assistants or any UTC staff member.

TICKETS TO THE GAME

Complimentary tickets are not available for media or professional scouts. Those wishing to purchase tickets are urged to contact the Communications and Media Relations Office, which will handle the order. Professional scouts must request credentials by email (jay-blackman@utc.edu). The cost is \$15 and the seat will be in the press box provided space is available. Credit cards are accepted.

MOCS FOOTBALL MEDIA LUNCHEON

All media representatives are invited to join Coach Huesman every Wednesday during the season for a weekly media luncheon. Lunch is served shortly after noon followed by comments from Huesman about the week's upcoming opponent. Several players will also be available for interviews. The luncheon will be in the media room adjacent to the Communications and Media Relations Office on the first floor of McKenzie Arena.

SOCON TELECONFERENCE

A coaches/media teleconference will be held weekly during the season. Each Southern Conference head coach will be available for eight-minute segments on a broadcast-quality, two-way feed. Check with the Southern Conference Office or the UTC Communications and Media Relations Office for the schedule and phone number of teleconference.

MOCS ON THE RADIO/INTERNET

Every Chattanooga Mocs football game is broadcast on the Mocs Radio Network. ESPN Radio 105.1 FM is the flagship station in the Chattanooga area. Fans outside of the Mocs Radio Network listening audience can also tune in over the Internet on GoMocs.com.

MOCS RADIO NETWORK

Fans and football enthusiasts can listen to the crystal-clear audio broadcast of each Chattanooga Mocs football game on the Home of the Mocs, ESPN Radio 105.1 WALV FM. All games will also broadcast online at www.GoMocs.com.

All broadcasts begin one hour prior to kickoff and are followed by a comprehensive postgame show which features a game recap, statistics and interviews with head coach Russ Huesman and Mocs players.

The radio broadcast team of Jim Reynolds and Todd Agne, together for their 16th season of Mocs' Football, will bring fans all 11 regular-season games.

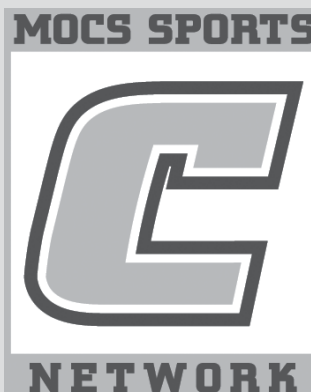

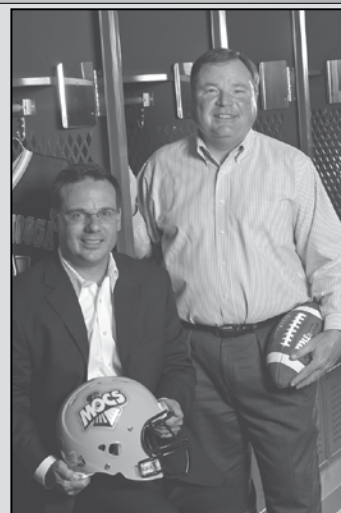

Reynolds is the Dean of Southern Conference broadcasters. His expertise is play-by-play announcing, and he returns for his 33rd season behind the microphone at Chattanooga football games.

The Chicago native is one of the hosts of the city's popular radio talk show, "The Morning Press," on WGOW 102.3 FM. After receiving his bachelor's degree in Speech Communications in 1977 from Illinois State, he began his career at WAKC-AM Radio in Bloomington, Ill., where he served as the play-by-play announcer for the Illinois Wesleyan football and basketball teams. He also worked at Bloomington station WRBA where he did some play-by-play for Illinois State football and basketball.

Reynolds also spent time as the play-by-play announcer for the University of Illinois basketball team while working with BRO-MAR Sports Network in Chicago. Currently, he is also the play-by-play voice for Mocs basketball games.

Agne joins Reynolds to add color analysis, features and commentary, and a national scoreboard update to the broadcast. Agne, who attended Marshall University, has spent parts of the past 25 years covering Southern Conference athletics for radio, print and television in four different media markets. He enters his 16th season with the football broadcast team.

Will Poindexter, the current color analyst for the Chattanooga Lookouts, returns to the team for his sixth season as the sideline reporter.
